Reading on a small display. Rotate or enlarge the **kids quran classes online** display until both the letters and their marks are easy to distinguish. Check whether the end of the line remains visible. Ask the learner to move to the following line without help. Adjust the zoom again if scrolling breaks their place.

Choosing a manageable passage. Choose a passage with the tutor that fits the learner's current concentration. Mark a clear beginning and ending in a separate note or bookmark. Ask whether the final line received as much attention as the first. Shorten the unit if accuracy faded towards the end.

Ask the learner which of the two activities felt easier and why. Refer to the example they actually tried when agreeing on a home-practice task.
