

Alcohol Detox San Diego Barrio Logan National City HGR California For communities in Barrio Logan, National City, and the southern parts of San Diego County, HGR Drug Rehabs San Diego California provides accessible alcohol detox services from the downtown 402 W Broadway location. These neighborhoods are south of the downtown core and easily accessible via the I-5 or the I-15, putting the HGR admissions **drug rehabs San Diego CA** office within reach of residents who need professional alcohol detox care. Alcohol detox requires medical supervision in most cases of significant alcohol dependence, because the neurological changes that occur with chronic alcohol use can produce severe withdrawal symptoms including seizures and delirium tremens. The medically supervised alcohol detox at HGR provides the clinical oversight and medication management necessary to navigate this process safely, with 24-hour care available throughout. For families in Barrio Logan and National City, the combination of Joint Commission accreditation, insurance acceptance, and the compassionate approach of the clinical team at HGR makes this program a credible and accessible [addiction treatment San Diego](#) option for alcohol detox in San Diego. The admissions team can verify insurance over the phone and answer questions about the process before any commitment is made.
