

Family formals are a standard part of any wedding day, and Annie Paige Photography approaches them efficiently to avoid eating into time meant for the couple and reception. As a mother of two daughters herself, Annie brings a natural patience to working with kids and extended family during **Portland elopement photographers** group photos. Clear communication ahead of the wedding day about which family combinations are needed helps keep this part of the schedule moving smoothly.

Annie Paige Photography | 59 State St, Portland, ME 04101 | (207) 841-4333

This experience with family dynamics has **wedding photographers Portland** developed across more than one hundred weddings photographed. Call (207) 841-4333 to plan family photos for your wedding day.
