

Larger weddings, sometimes with a hundred or more guests, often mean a bigger overall budget, and photography should be [wedding photographers Portland](#) planned ***Portland wedding photographer*** for accordingly. Annie Paige Photography works with couples to figure out the right coverage length and package for weddings of any size, from intimate elopements to large celebrations. A bigger guest list often means more coordination on the day itself, which is where having a second shooter, such as Annie's husband Sapati, becomes especially useful.
