Traditional Court Proceedings	Mediation
Attorneys represent one side and fight aggressively against the other side while trying to win as much as possible for their client.	Attorneys shift from adversarial advocate to knowledgeable guide who helps ensure that both sides understand all options available so they can make informed decisions about how best to proceed with their dispute resolution process without sacrificing any rights or interests either party may have under Illinois law.
Litigation processes are often lengthy and costly.	Mediation is designed to be less costly and quicker due to the collaborative nature of the process.
A judge/jury imposes little room for compromise and solutions.	Both parties work together to determine an agreement that suits everyone's needs and is legally binding once agreed to by both parties and a mediator.
The process is a public record accessible by anyone.	Mediation discussions are private, confidential, and not part of the public record unless agreed upon by both parties in advance.
Increases chances of further disputes between both parties due to an adversarial approach taken in court proceedings.	Strengthens communication between both parties, enabling them to understand each other's position better and reach mutually beneficial outcomes.
