

CUSTODY PRE-MEDIATION AGREEMENT

This agreement is made between _____ and _____ hereinafter referred to as "the parties," and the mediator, _____.

1. Purpose: The purpose of this agreement is to lay out the ground rules under which this mediation will be conducted. The parties will review this agreement and sign it before any discussion of issues in the case. This agreement is made because the parties want to reach a settlement of an existing dispute between them through mediation. The aim is to make an agreement in principle, which shall form the basis of a binding agreement between the parties. The parties acknowledge that the Mediator has discussed the advantages and disadvantages of the Mediation process and compared that process with being represented by separate attorneys or having the issues resolved through negotiation between lawyers or by a judge of the Court.

Therefore, the parties further contract and agree as follows:

2. Mediator Role: The mediator is a psychologist licensed to practice in the State of California. However, the psychologist is acting as a mediator rather than a psychotherapist. The parties acknowledge that the mediator is not acting as a therapist for either of them. The mediator is not an arbitrator or an evaluator.

3. Confidentiality: The mediator will keep confidential all communication with and all documents submitted by the parties. The parties agree that all oral and written communications, work analysis, agreements by, with, or through the mediators, are part of and shall be deemed to be settlement negotiations and shall be inadmissible in any court of law, without the written consent of both the mediators and the parties. Any temporary agreements are confidential. Only mediation agreements signed by both parties are public and not part of the confidential communication and documents in the mediation.

What is the function of a miam?

A MIAM is a private, one-to-one conference with a certified family members moderator. Its function is to help you comprehend the mediation process and to evaluate whether it is an ideal choice for resolving your household regulation dispute.

Mediation has a remarkable success rate in separation situations and has numerous remarkable benefits. For instance, it is less costly and quicker than litigation, and its casual design places less strain on everyone included. It is private, so it motivates the parties to be open and truthful and can additionally minimise any type of acrimony between them. If you are successful in settling your concerns with mediation, your arrangement can be made binding by way of a Court Order that you can impose versus your ex-partner if they breach it. The objective of the MIAM is to ensure people recognize their choices and have considered whether problems can be solved by agreement, as opposed to with a court process.

Miam Meeting: What Not To Expect

- This is intended to enable you to speak honestly, think about choices, and discover services in a supported and private space.
- We can provide legal aid to people who meet the requirements.
- If a MIAM certification is provided client A should be informed that this is valid for a court application within 4 months from the date of the MIAM.

The point of the MIAM is to explore whether mediation might be a more suitable method of managing the problem or disagreement than court. Requesting no call with the other moms and dad regarding youngster safekeeping has [British Family Mediation Service Official Website](#) considerable lawful ramifications. The court prioritizes the kid's welfare and normally motivates partnerships with both parents unless evidence recommends that contact would certainly be unsafe.
