The Four Bonus Rounds Explained

The primary appeal of Crazy Time depends on its 4 bonus offer rounds. These mini-games offer the highest multipliers and the most aesthetically appealing gameplay.

1. Coin Flip

The simplest of the bonus rounds. A coin with a red side and a blue side is turned by a device. Before the flip, random multipliers are appointed to each side. Whichever side lands deal with up awards the gamer that corresponding multiplier.

2. Money Hunt

Gamers face a huge screen showing 108 random multipliers hidden behind various shooting targets (like cacti, targets, and hats). Utilizing a virtual cannon, the gamer chooses one target, and the hidden multiplier is exposed

and applied to their bet.

3. Pachinko

Inspired by the conventional Japanese arcade video game, a radiant puck is dropped from the top of a large board filled with pegs. The puck bounces down and lands in among the landing zones at the bottom, each including a multiplier. If it lands on a "Double," all multipliers on the board double, and the puck is dropped once again.

4. Crazy Time

This is the holy grail of the game. Gamers enter a virtual, surreal world behind a red door, welcomed by an even bigger huge wheel. Players need to pick one of 3 flappers (Green, Blue, or Yellow). The wheel spins, and anywhere the picked flapper stops determines the reward. Multipliers can reach up to **20,000 x**.
