FAQ About Dumpster Rental

How long can I keep a rental dumpster?

Most dumpster rental companies in Indianapolis allow you to keep the dumpster for up to 7 days, but this can vary. Some companies offer flexible rental periods or additional days for a small fee. It's best to confirm the terms with your rental provider before booking.

What size dumpster do I need for home renovations?

For home renovations in Indianapolis, a 10 to 20-yard dumpster is typically sufficient. A 10-yard dumpster works for small projects, while a 20-yard dumpster is suitable for larger renovations. Consider the amount of debris generated when choosing the size.

Can I put anything in a rental dumpster?

No, you cannot put hazardous materials, electronics, or certain types of waste like tires in a rental dumpster. Each rental company has specific guidelines on what can and cannot be disposed of. Check with your provider for a detailed list.

How do I choose a dumpster rental company in Indianapolis?

When choosing a dumpster rental company in Indianapolis, consider factors like pricing, customer reviews, size availability, delivery options, and rental terms. It's also beneficial to compare multiple providers to find the best fit for your project needs.

Choosing the Right Size for Your Project

At Sentinel Dumpster Rental, we understand that not all projects are created equal, which is why we offer a variety of dumpster sizes to match your unique needs. From small 10-yard dumpsters for simple home cleanouts to larger 30-yard containers for remodeling projects, our knowledgeable staff can help you select the right option. This ensures you get the best value and minimize waste overflow during your project.
