

Drug Rehabs Near Me Hillcrest San Diego HGR California Hillcrest residents who need professional addiction treatment close to home can access HGR Drug Rehabs San Diego California from their neighborhood with ease. The downtown San Diego office on W Broadway is easily accessible from Hillcrest via Washington Street or the I-5, and the full range of services from drug detox through residential inpatient, IOP, and outpatient care is available to Hillcrest clients. Hillcrest's diverse community includes a significant LGBTQ+ population, and HGR's clinical team provides inclusive, affirming care as part of its standard approach to treatment. The dual diagnosis capability at HGR is particularly relevant for clients whose addiction is connected to identity-related stress or trauma, and the integrated mental health treatment approach addresses these connections directly. The intensive outpatient program is a popular treatment format for Hillcrest clients because it allows them to maintain their life in the neighborhood, [drug detox centers San Diego CA](#) stay connected to community, and continue working while receiving structured professional support. The IOP meets three times per week and provides group therapy, individual sessions, and psychoeducational content that supports lasting recovery.
