Above the main wheel sits a two-reel mini fruit machine that spins at the same time with every primary wheel spin. This Top Slot generates a random multiplier for a particular bet segment, which can significantly improve payouts if that segment hits on the main wheel.

## The Betting Options

The 54 segments on the Crazy Time wheel are divided into numbers and benefit rounds. Players can bank on any combination of these options:

Before the flip, multipliers are arbitrarily assigned to both sides, and a "Rescue Flip" can in some cases take place if the initial multipliers are considered too low.
